SCC in a Nutshell

THE ORGANIZATION IDENTITY

SCC is a dynamic, Cambodian faith-based organization that has played a major role in the fight against HIV/AIDS. Through the Loving-kindness, Compassion, Sympathetic Joy, Equanimity, commitment and dedication of a team of Buddhist monks, nuns, staff, volunteers and generous supporters, SCC has been able to improve the lives of many people infected with and affected by HIV/AIDS, particularly the poorest and least fortunate families, especially children, either orphaned or adversely affected by HIV/AIDS.

VISION

A Cambodian Society where, all Cambodian people live with good health, freedom, dignity and prosperity.

MISSION

SCC commits to develop capacity and sustainable community mechanisms through faith-based networks and other stakeholders to reduce vulnerability, and to prosper livelihood, health and children's rights to education.

GOAL

SCC will have a significant contribution to achieve the national strategic plan by intensifying vulnerable families' and children's equitable accesses to health service and education.

VALUES

SCC is guided in all its actions and by its core values, which are solidarity, spirituality, compassion, human rights, good governance, and democracy and rule of law.

1. CBE SCHOOL BACKGROUND

Children’s Basic Education (CBE) School is one of SCC’s projects which is located in Veal Village, Kok Chork Commune, Siem Reap District, Siem Reap Province, Cambodia. It is around 1km west of Angkor Wat Temple, approximately 3km from Siem Reap International Airport and across from the big white Angkor Hot Air Balloon.

CBE School was founded in 2010 by **Mr. Prum Thoeun** and **Christine** and **Doug Frewer**, a generous Australian couple. During Christine and Doug’s had the first trip to Cambodia, and they were introduced to SCC by Timothy, their son who had been working in Cambodia and Lao of his first research.

The name of the school was changed from “CBE Angkor” to “CBE Christine” after SCC management discussion. Why is it called CBE Christine? It was because of SCC aimed at dedicating this name to **Christine** who passed away from breast cancer in 2014. Doug Frewer has also done significant job in introducing and fundraising for SCC and the school in Australia, where the school goes by the name **CBE-Bush School**.

✎ CORONAVIRUS OUTBREAK

Concerning the coronavirus outbreak, SCC's staff members have postponed some activities such as awareness meetings, trainings, group counseling and learning and teaching. SCC Senior Management Team has decided to permit staffs who work at the field to work at the office instead. To keep our staff safe, SCC's staff members follow technical guidance issued by World Health Organization (WHO) to prevent COVID-19 infection. We are worried that this bad situation will continue a long time.

3. EXTRA ACTIVITIES

On 7th April 2020, we had got a supporting budget for 9 poor families from JULIE, Baptist Ladies in church, Australia. Doug organized things before he went back to Australia. Those packages had 50kg of rice, a dozen of tuna, a net, mat, blanket, tooth brushes, tooth pastes, and extra \$50 for each family.

4. QUARTER IN REVIEW

4.1. Challenges & Issues

1. Land for planting vegetables isn't good at all.
2. Apsara is still a big challenging for any kinds of constructions.
3. Electricity is cut off quite often. We didn't get electricity directly from the public service. School was served by private one because we don't have land certificate and this case just only the land owner could help.
4. Yearly budget has changed from the next term. Supplementary food and meal will be decreased from February 2020.
5. 2020 is the last year that Firefly Mission supports CBE-Christine Project.

6. According to the world issue which was appeared and has affected to the whole life of people because of the COVID-19 everything has changed. Among those issues the education in Cambodia has to shut down for a while. The state schools and NGOs had to be closed and would be opening again unless the governor approve and announce one day. We have to wait for the final announcement.

4.2. Solving Problem

1. Sewing class already set up.
2. Fans in the big class were already set up.
3. Safety gas already set up.

4.3. Lesson Learn.

On 5th June 2020, teacher **Chan Savorn** met **Mr. Sopheaktra** who works for **torre de hommes** organization and discussed about his new project that relevant to the children protection and he needs 3 volunteers to work with him 2 times/month. They have training class for a week in July 2020 before they start working with our students in the SCC-CBE kids. First working duration is 6 months from July-December 2020.

4.4. Next Plans

1. Make CBE-Christine Team T-shirt
2. Rearrange the English Class
3. Take pictures and make YouTube Channel for Doug and Petra for fundraising for the next year budget.

4.5. Case Study

Mrs. Chum Sokhom is currently learning in our sewing class since we opened earlier. She has two daughters and she has no job. She was picked to learn right here for 6 months. She was really glad to learn a new skill and she's not paid for class. She also added *“Thank you so much to SCC-CBE and deeply thanks to the donors that give her an opportunity to study here as I am willing to do for ages”*. She can cut shirts, skirts, shorts and now is moving on pants.
